

Integrative  
Dermatology  
Symposium

# Your Virtual Access to IDS 2025 Is Now Available 🎉

We're excited to have you join the **Integrative Dermatology Symposium** virtually!  
Follow these quick steps to get set up:

## Step 1: Meet Whova

**Whova** is our virtual event platform. It's where you'll:

- Watch live sessions and replays
- View the agenda and speaker info
- Connect and chat with other attendees
- Access handouts and resources

Access Whova using any options below:

Download on Google Play

Download on App Store

Open Web Portal

## Step 2: Login to Whova

Make sure to **sign up** first using the same email you used for your IDS registration.

Follow the prompts to set your password (use "**Forgot Password**" if needed).

Once logged in, open the agenda and click a live session to watch it.

**2025 Integrative Dermatology Symposium**

Tucson, AZ  
August 21 – 24, 2025

## Step 3: Explore

- Home
- Agenda >
- Attendees
- Community
- Messages
- Photos
- Exhibitors
- Resources >

The 2025 Integrative Dermatology Symposium (IDS) focuses on optimizing skin health by addressing the relationship between the skin, microbiome, and overall systemic health. This year's theme, "Guide Your Patients Toward a Healthy Biome and Optimal Skin Health," highlights the role of biome health in managing dermatological conditions.

After registration, you'll be able to access the event through the Whova app or web portal, where you can view the agenda, connect with other attendees, and participate in event activities.

## Step 4: Maximize Your Virtual Experience

1. Use the latest version of Google Chrome as your web browser when logging into the event.
2. Turn off VPNs/firewalls that may block access.
3. Download the mobile app ([Android](#) | [iOS](#)) to catch the event on the go.
4. Attend sessions **live** to join the Q&A (not included in post-event recordings).
5. Presentations and handouts will be available on **LearnSkin.com** for one year after the event.
